

The Smoke Alarm Went Off

Alice, Golden Empire Council
(tune: The Farmer in the Dell)

The smoke alarm went off
The smoke alarm went off
It's warning you though you can't see
The smoke alarm went off

You'll hear the loud beep — beeps
You'll hear the loud beep — beeps
It smells the smoke, it's not a joke
You'll hear the loud beep — beeps

If you see smoke, get low
If you see smoke, get low
It's cool and clear down near the floor,
If you see smoke get low

You need to go outside
You need to go outside
The meeting place will keep you safe
You need to go outside

Now don't go back inside
Now don't go back inside
Just stay and wait and you'll be safe,
So don't go back inside.

Bananas, Coconuts And Grapes

Baloo's Archives

This song is often referred to as the "Cub Scout National Anthem." But I would vote for "Duke of York."

I like bananas, coconuts and grapes
I like bananas, coconuts and grapes
I like bananas, coconuts and grapes
That's why they call me:
TARZAN OF THE APES!

Sing the song through three or four times:

The first time loudly;

The second time softer

(except for the "Tarzan" part – always YELL that)

The third time even softer

And finally whispering

Remember, always yell the "Tarzan" part; the last time, no one makes a sound until all shout in unison, 'TARZAN ...
